

Newsletter

February 2026

We would like to take this opportunity of wishing everyone a lovely break for the forthcoming Half Term (from Monday, 16 February 2026 returning to Nursery on Monday, 23 February 2026).

REMINDER: SUMMER CLUB - WEDNESDAY, 22 JULY 2026 - WEDNESDAY, 5 AUGUST 2026 (TWO WEEKS)

We plan to hold a Summer Club on the above stated dates. Could you please let us know if you would like your child to attend so that numbers can be managed. We will need to know specific days as soon as possible.

If you could email kinsbournenursery@btinternet.com to book your child in, it would be appreciated to avoid any requests being lost via Family Newsfeed comments. As this is outside the 38 week funding period, the following Nursery session fees will apply as we are unable to claim additional funding for this:-

[www.kinsbournecommonnursery.com/ files/ugd/2c226b_ae81165c55c249a7ad17b4e079da0a18.pdf](http://www.kinsbournecommonnursery.com/files/ugd/2c226b_ae81165c55c249a7ad17b4e079da0a18.pdf)

We will be requesting an initial deposit of £50 per child to secure a place. Invoices in respect of the deposit will be sent out as soon as parents have confirmed that they wish to hold a place for their child.

Invoices in respect of the summer club sessions will be sent out towards the end of next term (July 2026). Please note that we are unable to reimburse the deposit if for any reason a child no longer attends the Summer Club.

We have provisionally booked St Mary's Church Hall and the Scout Hall throughout this period. If we do not have enough children to make this viable, then Nursery would have to either look at reducing the number of days or even cancelling the whole of the Summer Club. However, we are hoping that if interest is great enough, then the Summer Club would operate for the usual Nursery hours. Please see link to our opening hours:-

[https://www.kinsbournecommonnursery.com/ files/ugd/2c226b_7c9fee4b9445459793256dff9e281f94.pdf](https://www.kinsbournecommonnursery.com/files/ugd/2c226b_7c9fee4b9445459793256dff9e281f94.pdf)

You will need to provide a packed lunch and a bottle of water for your child. Nursery will continue to provide the usual morning snack.

Please note that we are unable to take children beyond five years of age.

Website

Please see link to our website (shown below) to pick up information in respect of our curriculum planning:-

<https://www.kinsbournecommonnursery.com/the-curriculum>

We have a range of information available across different sections of the Website such as term dates, planning documentation and links to other settings. We have also downloaded an audio copy of our Nursery Story, 'The Six Special Friends' for you to share with your children if you wish! In addition, the animation for the story has now been completed and is available to play in conjunction with the narrator.

Regular updates/forthcoming events will be available on the 'News' page of the website as well as via the 'Family' app where possible. We would be grateful if you could take a moment to view this.

Personal belongings

Please could all parents/carers make sure that children's belongings are labelled, particularly clothing, footwear and drinks bottles so that they are not mixed up with others.

Forest School

The Nursery is extremely fortunate to have access to such a variety of different outdoor learning opportunities with the beautiful woodland and common land right on its doorstep.

We are pleased to report that Deborah Campbell will be continuing to run Forest School sessions throughout the year. The sessions currently run on a Tuesday and Thursday afternoon. Observations have confirmed that this is a wonderful way to encourage even very young children to use their imagination and communicate with one another more effectively. We've had great conversations about our 'Six Special Friends', hunting for leaves and mini bugs, using natural materials to make a range of artwork as well as building dens and practicing our climbing and balancing skills on low lying tree trunks. We also have a fire pit and occasionally carry out simple cooking activities with the children (weather permitting). If your child is attending Forest School, please ensure that they have wellington boots or walking boots – the woods can be very damp and rather muddy!

Forest School was first introduced in the 1950s' in Scandinavia with people who had close cultural connections with the woodlands. Forest School is an outdoor education delivery model in which children (or adults) visit natural spaces to learn personal, social and technical skills. It has been defined as an inspirational process that offers children, young people and adults regular opportunities to achieve and develop confidence through hands-on learning in a woodland environment. Forest School is both a pedagogy and a physical entity, with the use often being interchanged.

The Statutory Framework for the Early Years Foundation Stage (DfE, 2025)

You may be aware that the Statutory Framework for the Early Years Foundation Stage (DfE, 2025) has recently been revised to strengthen the safeguarding requirements. Please see link below:-

<https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2>

Online Learning Journal 'Family'

You will have access to your child's online Learning Journal which will be maintained by the allocated key worker. This has been introduced to strengthen communication links between our families/carers. 'Family' is an online learning journal app which has been designed to show observations and photographs of your child to monitor their learning and development more efficiently.

'Family' has been in operation at Nursery since September 2021. You will be provided with a link to set up a password to access your child's information. At the end of your time at our setting, you will be encouraged to present this online journal to your allocated primary school. This will form a picture of your child's preferences/needs during their time with us and hence aid the transition into the new setting.

We may need to make a few adaptations to the way the online journal is set up. Since introducing 'Family', we are now able to upload our weekly planning which gives you detailed information with respect to the morning session. We will also be uploading the appropriate reports (i.e Two Year Progress Checks as well as Transition Records). We will continue to have a shortened version of the hardcopy learning journal to that previously in place. This will be presented to you as a keepsake when you leave our Nursery and will include a range of artwork/captured moments and reports as well as any half term activity photos which may have been brought into Nursery.

Progress Meetings with Parents/Carers

We appreciate that because of working patterns many of you may prefer to have progress updates via the 'Family App'. However, if you wish to come into Nursery to go through your child's progress with the appropriate key worker, please let us know. This will usually apply after a child's first five sessions with us as well as the two-year progress report and end of year transition/leavers report. Nevertheless, there will also be many other opportunities for you to speak to your child's key worker should the need arise.

Half Term Homework

Please take a moment to gather some news or something that your child may have achieved over half term. It is always good to hear what the children have been up to and in many cases helps us with our planning. You can upload your child's news/achievements onto the 'Family' app or alternatively, please use the attached sheet.

Voluntary Contribution

We would like to thank parents who made donations towards the snacks as well as nursery resources during the Autumn Term 2026. This really is very much appreciated.

Following a recent change with respect to charges for consumables, all settings have now been advised by the Department for Education and subsequent notification from the Local Authority that this is not compulsory.

As a result, Nursery will revert to asking parents/carers for a voluntary contribution but at a reduced level totalling £10 per term. We hope that all families will be able to support this.

A donation form is attached for parents who wish to contribute £10 for this term

Many thanks in advance.

Makaton – Language Programme

The nursery staff continue to show the children basic Makaton signs throughout the sessions eg at snack and singing sessions. Makaton is a language programme using signs and symbols to help people communicate. We use basic Makaton signs as part of our inclusive practice and wanted to make you are aware of this as the children may use the signs they have learnt in nursery at home.

Speech and Language Support Advice

Please follow this link to latest information regarding pre-school age children:

<https://www.hct.nhs.uk/service-details-/service/childrens-speech-and-language-therapy-20/>

Ofsted Registration

Nursery takes children from eighteen months old. Please e-mail Deborah if you wish to place younger siblings on our waiting list **as spaces are limited**.

Schedule of Fees

Please note that our present Schedule of Fees is available under Policies and Procedures - Section 09.01c via the following link:

www.kinsbournecommonnursery.com/files/ugd/2c226b_73bcc8909d4c416a84c81a6f1b027135.pdf

Opening Hours

Please copy and paste the link below to our opening hours:

https://www.kinsbournecommonnursery.com/files/ugd/2c226b_d2dedb560cd648c695507d3d77a6bd5b.pdf

Staff Training

We regularly review training requirements and will shortly be updating our level 2 food hygiene qualifications.

R E M I N D E R: Childcare support has expanded - working families

If you have not already done so, please see link below to check your eligibility:-

<https://beststartinlife.gov.uk/>

Fire Drills

We will continue to undertake Fire Drills on a termly basis with the children (both at St Mary's Church Hall and the Scout Hall). We will notify you when this is to be carried out with the children. In addition, we will discuss this with the children the previous week so that they have an idea what to expect. It takes little time to do but ensures we are prepared in case of a real fire!

Policies & Procedures

Our policies and procedures are available via the following link:-

<https://www.kinsbournecommonnursery.com/policies---procedures>

Complaints procedure

Your child's key worker should be your first point of contact regarding any concerns you may have. However, Deborah will be available to speak to should you wish.

Inset Days

Nursery has a total of three inset days scheduled throughout the year. Please note that we have tried to keep these to a minimum but are obliged under government regulations to ensure staff have sufficient time to participate in planning meetings and thus comply with the expectations of The Revised Statutory Framework for the Early Years Foundation Stage (DfE, 2025).

Term dates for 2025/2026 are available via the link below:

www.kinsbournecommonnursery.com/files/ugd/2c226b_a83cc6ea53ca4e01a95cbf5214b666cc.pdf

POLITE NOTICE

Arrival at Nursery

To avoid congestion, please could all parents/carers queue outside the Nursery Gate (St Mary's Church Hall) and outside the side entrance of the Scout Hall.

Child Collection

If your child is to be picked up by someone else, please inform us and where possible sign the 'Child Collection Book' to say that this is going to be the case. We also ask that you provide the relevant password to the person who will be collecting in your absence (put on your Registration Form before starting at our setting). Please remember to do this as we will not release a child without this information but will nonetheless make every effort to contact you to clarify the situation. The safety of our children will always be considered by the setting. Once we are familiar with those collecting your child on a regular basis, there will be no need to ask for this information. However, please bear in mind that some staff will not always know the person collecting the child when other staff may do and your co-operation to provide the appropriate password would be appreciated when this is the case.

Self-care/Toileting

Please ensure that when children are dropped off at nursery, they have been appropriately toileted ie a visit to the toilet if toilet trained or a clean, dry nappy if still in nappies. This will allow the staff to concentrate on the care of children who may need adult support at this time, instead of staff immediately having to change children who have been left with soiled nappies or needing the toilet.

For all children in nappies, please ensure you provide enough for a morning/full day session with baby wipes and nappy bags. NB: Pull ups should only be worn for children who are in the process of potty training as they are not as absorbent as nappies.

Please note that from experience families have found it far easier to start potty/toilet training their children during times when there is a longer period at home such as through a half term or through other holidays when schools and nurseries are closed. Travelling to different places when children have only just started potty/toilet training will inevitably cause confusion resulting in the inevitable toilet accident which may cause them to feel unnecessarily anxious. If you are thinking of potty/toilet training your child, please liaise with the key worker or Deborah so that this can be monitored appropriately.

We would also appreciate it if you could dress your child in clothing which is easy to take off in the event of a much-needed trip to the toilet. Although accidents are inevitable, it makes it so much easier for the child if they can manage to take down/off the clothing they are wearing.

Thank you for your assistance in this matter.

Food

Please do not put food in your child's changing bags as nursery staff are conscious that there may well be allergic reactions for other children who encounter such products. Likewise, medication that may need to be taken by your child during a nursery session should be given to a practitioner so it can be left in a safe place (our kitchen cupboard) and out of reach of little hands.

Please also remember to include a complete change of clothing as there are activities that are inevitably likely to be messy, all clothes to be named where possible.

Please also note that NO NUT products are allowed in children's lunch boxes. This also includes peanuts (peanuts grow underground and are part of a different plant family, the legumes). Although less common, pine nuts which are included in pesto can also cause allergies. Many thanks.

Final Note

Thank you for reading this newsletter and apologies to parents/carers who may have already received some of this information. The duplicate information is for parents/carers and children who are new to nursery.

Best Wishes

Deborah and the Nursery Team
